Skills

- Organization
 - I organized my mother's online store inventory of over 1000 beauty products.
- Able to convey information to others
 - I received instruction over the phone from my algebra teacher and taught that day's lesson to my class and the substitute teacher.
- Basic Math Ability
 - I maintained a passing grade in advanced placement calculus and did not receive a marking period grade under 90%.
- Can effectively supervise children and young adults
 - I supervised around 30 students grades 3 through 12 who were performing in the South Lyon Community Schools' variety show.
- Able to perform tasks independently
 - I pursued an independent studies course in advanced placement physics and performs labs without assistance.
